In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Precast Concrete Products

Scope of certificate:

Precast concrete products according to the standards mentioned on page 2 of this certificate.

placed on the market under the name or trademark of

Pekabex BET S.A.

and produced in the manufacturing plant

Poznan

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

Under system 2+ are applied and that the factory production control is assessed to be in conformity with applicable requirements.

This certificate was first issued on 2009-06-15 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.
